The Chairman talked about the Neighbourhood Plan and said that 84% of the Parish had responded to the questionnaire in respect of the Issues and Options facing the Fosse Villages.

A Newsletter had been produced which set out the vision for 2029.

- Individual character of Leicester Forest West
- There are good opportunities for local work
- Development is supported by new infrastructure
- Impact of traffic is reduced
- Important open areas are protected
- New homes meet local housing needs – Leicester Forest West has few services and facilities and is not a sustainable location for new development. The plan is to designate the hamlet as countryside and restrict most new development happening there.
- Local residents were keen that the woodland known as the Old Brake should be protected.

The final draft of the plan should be completed by June/July and would be presented to the Council.
