The Council's political management arrangements are based on a single-party, six member Cabinet Executive with delegated powers. This is counter-balanced by an 18 member Scrutiny Commission with three Scrutiny Commissioners, one from each political party. The Council also appoints a number of other Committees and Panels through which it conducts its business.

The Council operates a Members' Allowances Scheme which includes payment of a Basic Allowance to all Members, together with Special Responsibility Allowances payable to the holders of designated posts, such as the Leader of the Council, Cabinet Members, Scrutiny Commissioners, Committee and Chairmen, Political Group Leaders etc.
