- (c) For the purposes of this part of the scheme: a Member or co-optee of a Committee, Sub-Committee or Panel of the Council/Cabinet Executive is to be treated as a Member of the Council.

Travel Allowance

The rate for travel by public transport shall not exceed the amount of the standard fare or any available cheap fare unless the Council determine otherwise. The rate for travel by a Member's own private motor vehicle, or one belonging to a member of his family or otherwise provided for his use, other than a solo motor cycle of cylinder capacity not exceeding 500 cc shall not exceed 45p per mile.

The rates specified may be increased where passengers are carried, not exceeding 4, to whom an allowance would otherwise be payable by not more than 1 pence per mile, per passenger.

In cases where no other form of public transport is available or in cases of urgency, Members may travel by taxi and they will be reimbursed the actual fare plus any reasonable gratuity paid upon the production of a valid receipt.

In the case where a Member requires Carer assistance to get to and from Council business, as identified in this section (Travelling and Subsistence Allowance), the reasonable cost of that Carer's time for the journey will be reimbursed on the submission of the necessary receipts.

Any necessary expenditure incurred in relation to the journey shall also be met on the production of valid receipts (car parking charges etc).

Travel to any Outside Body shall be included within this scheme, provided the Outside Body has been authorised as an approved duty and included in Part 7 of the Constitution. If a Member provides transport to another Member to enable that Member to attend a meeting, then they be authorised to claim travel expenses.

Subsistence Allowance

Subsistence Allowance	Amount
Breakfast Allowance (More than 4 hours away from normal place of residence or where the Council permits, a lesser period before 11.00 a.m.)	£5.48
Lunch Allowance (More than 4 hours away from normal place of residence or where the Council permits, a lesser period, including the lunchtime between 12 noon and 2.00 p.m.)	£7.57
Tea Allowance (More than 4 hours away from the normal place of residence or where the Council permits, a lesser period including the period 3.00 p.m. to 6.00 p.m.)	£2.98
Evening Meal Allowance (More than 4 hours away from the normal place of residence or where the Council permits, a lesser period ending after 7.00 p.m.)	£9.38

As Members are aware the tea and evening meal allowance periods are straddled. As far as the provision for evening meal allowance is concerned and in cases where a tea allowance has been claimed then the spirit of the scheme would suggest that the period for claiming an evening meal allowance would not start until after 6.00 p.m. In instances where a tea allowance has not been claimed and the meeting duration is greater than 4 hours, then provided a substantial part of the 4 hour or more is after 7.00 p.m. an evening meal allowance would be appropriate.

In the case of an absence overnight from the normal place of residence, the rate is £77.43. For such an absence in London, or for attending the Local Government Association Annual Conference or such other Association of Bodies as the Secretary of State may for the time being approved for the purpose, the rate is £138.31 plus an additional allowance of £50 will be paid for attendances at Local Government Association Conferences or Conferences in London, which allows delegates to be accommodated in appropriate hotels.

For the purpose of the above paragraph, London means the City of London and the London Boroughs of Camden, Greenwich, Hackney, Hammersmith and Fulham, Islington, Kensington and Chelsea, Lambeth, Lewisham, Southwark, Tower Hamlets, Wandsworth and Westminster.

The rates specified above shall be reduced by an appropriate amount in respect of any meal provided free of charge by an Authority or Body in respect of the meal or the period to which the allowance relates.

Meals on Trains

If full meals (Breakfast/Lunch/Dinner) are taken on trains during a period for which there is no entitlement to subsistence, the reasonable cost of the meals including VAT may be reimbursed in full on the production of a valid receipt, within the limits specified below.

4 - 8 hours	- The cost of 1 main meal
8 - 12 hours	- The cost of 2 main meals
12+ hours	- The cost of 3 main meals
