Dear Sir/Madam

We are a family that live across the road from the post offices and have on a numerous occasions had problems with customers parking over our drive, so I do believe if now there proposal to change into a convenience store and have longer opening hours and sell alcohol this would make matters worse for us as well as our neighbours.

Have spoken to Deepa Visram at the post office about the parking situation and litter in the past, and have found her rude and uncooperative.

Lastly I would like to add we already deal with litter left by customers using the sandwich bar at the post office just disposing of their litter, so now with them proposing to sell alcohol ! will have more litter and more people hanging about.

This is the reason why we as a family are strongly against the changes to be made.

Yours Sincerely

Mark Maxwell

Dear Sir/ Madam,

DEEPA VISRAM
Post Office

Ref Sale of Alcohol.

I am writing to complain and object to the application for a premises licence **DEEPA VISRAM (POST OFFICE) 18 HINCKLEY ROAD, LEICESTER FOREST EAST, LEICESTER, LE3 3GH**. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour. Creating more litter picking left by customers maybe cheap alcohol competition among the stores.

And to sell alcohol would be totally detrimental to its aims and objectives. The application proposes that alcohol will be sold for consumption off the premises between 8.00am and 22.00pm, and Sunday 08.00 – 14.00 seven days a week. Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already Naming a few Stores very local to us Co-op Store Hinckley Rd, Hayre Convenience Store, and Sainsbury, Tesco? Both on Hinckley Rd JC Mini Market Wardens Walk, Braunstone Lane Convenience Store,

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night.

I would also urge the Blaby Council Committee to consider the findings of Impact Assessment.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully
