Dear Sirs

I am writing to lodge my objection to the application of Narborough Parish Council for a Premises Licence in respect of The Parish Centre, Desford Road, Narborough, Leicestershire, LE19 2EL: the provision of regulated entertainment between 08.00 and 00.30, to include live and recorded music, the performance of dance, plays, exhibitions of films, indoor sporting events and late night refreshments.

As a resident on Desford Road, I object to the lateness of the hour that has been applied for. Realistically, entertainment that is on until 00.30 will result in increased footfall and traffic at this time and into the early hours in what is classed as a residential area.

Whilst I appreciate that I am only one voice, I would ask that you take my argument into consideration when considering the application. Desford Road residents have already had to cope with over two years of living opposite a building site, increased traffic, noise and air pollution; I would ask that you respect that this is a new building with increased capacity and floor space that has been erected in a residential area and as such, restrictions of use should be put in place and adhered to.

I look forward receiving acknowledgement to my letter and your response.

Yours faithfully

Clare Newby (Ms)
