

**Blaby District Council**  
**Audit & Corporate Governance Committee**

**Date of Meeting** 30 July 2024  
**Title of Report** Risk Management Quarter 1 2024/25  
**Report Author** Finance Group Manager

**1. What is this report about?**

- 1.1 The report provides Audit and Corporate Governance Committee with an update in relation to the Council's Corporate Risk Register up to 30 June 2024.

**2. Recommendation(s)**

- 2.1 That the latest information in respect of the Council's major corporate risks is accepted.

**3. Reason for Decision(s) Recommended**

- 3.1 The overview of the Council's risk management processes is a key responsibility of the Audit and Corporate Governance Committee. It is important that members are aware of the corporate risks and their potential impact on Council business, and that they review the control measures in place to mitigate risks.

**4. Matters to consider**

**4.1 Background**

The management of risk is a critical success factor in terms of an organisation achieving its objectives. The Audit and Corporate Governance Committee, supported by Internal Audit, has the role of evaluating the effectiveness of the Council's risk management procedures, and commenting upon areas of improvement as appropriate.

Risks are assessed for their impact on the Council's business, and the likelihood that those risks might arise. Scores for impact and likelihood are combined using a "5x5" matrix to arrive at a rating of high, medium, or low.

Risk Score	Matrix Category
16-25	High
9-15	Medium
1-8	Low

Further information is contained within the Risk Management Strategy which was presented to this Committee in July 2023.

#### 4.2 Corporate Risk Register

The Corporate Risk Register captures the most significant current risks that have a potential impact on the Council's strategic aims and objectives. Updates on the latest corporate risks are presented to Audit and Corporate Governance Committee every quarter.

Corporate Risks are monitored by the Corporate Risk Group which comprises the Chief Executive, the Executive Directors, the Finance Group Manager, and the Council Tax Income and Debt Manager. The Corporate Risk Group met on 10 June 2024 to review and update the Corporate Risk Register, ensuring that it properly reflects the current corporate risks and that actions are in place to mitigate those risks. A copy of the Corporate Risk Register is included at Appendix A, and this sets out each risk, an assessment of the degree of risk to the Council, and any control measures that are in place to mitigate the likelihood and impact of the risk occurring.

The following table summarises the number of corporate risks before any control measures are put in place (i.e., uncontrolled risks).

<b>All Corporate Risks – Uncontrolled Rating Summary</b>			
<b>Red</b>	<b>Amber</b>	<b>Green</b>	<b>Total</b>
17	9	1	27

The corporate risks, once control measures have been put in place, i.e., controlled risks, are as follows:

<b>All Corporate Risks – Controlled Rating Summary</b>			
<b>Red</b>	<b>Amber</b>	<b>Green</b>	<b>Total</b>
5	12	10	27

There have been no additions or removals to/from the Corporate Risk Register.

Overall, 17 high risks to the Council's business have been identified before any form of mitigation has been put in place. However, once control measures are considered, 5 of these are reduced to medium or low risk.

The latest review undertaken by the Corporate Risk Group has led to:

Increased risk:

None of the risks have increased in Q1.

Reduced risks :

**R019 – Cost of Living Crisis leading to increased demand for services.**

The overall score for this risk has decreased however, it remains at an amber risk overall once controls have been put in place. The Council hasn't seen a significant increase in demand for services as a result of the cost of living crisis and therefore the likelihood of this risk has been reduced slightly.

#### 4.3 Service and Project Risk Registers

Service risks are those which are more related to operational and service delivery matters. They are maintained on a separate risk register and are subject to quarterly monitoring by Service Managers to ensure that they remain up to date and have not become obsolete. Group Managers will provide an overview of the service risks on a quarterly basis, but service risks will not be reported to Audit and Corporate Governance Committee other than in exceptional circumstances.

Project risks are managed through the Council's project management framework, with risk registers maintained for corporate projects and high-profile service projects. These are monitored through individual project teams and by the Senior Leadership Team sitting as Programme Board.

### 5. What will it cost and are there opportunities for savings?

- 5.1 There are no direct financial implications arising from this report. However, financial implications may arise because of inadequate risk management, but with robust procedures in place they are minimised or removed.

### 6. What are the risks and how can they be reduced?

6.1

Current Risk	Actions to reduce the risks
If risks are not monitored, then the Council may not be aware of possible events arising.	Audit and Corporate Governance Committee receive regular reports on risk and advise Cabinet Executive as appropriate.
If risks are not effectively managed through mitigation, risks identified cannot be minimised and may have a significant impact on the Council.	Mitigating control measures are in place and monitored through Audit and Corporate Governance Committee, Corporate Risk Group and by Senior Leadership Team/Group Managers.

### 7. Other options considered

- 7.1 None. It is a requirement of the Risk Management Strategy that regular reports are brought to Audit and Corporate Governance Committee.

**8. Other significant issues**

- 8.1 In preparing this report, the author has considered issues related to Human Rights, Legal Matters, Human Resources, Equalities, Public Health Inequalities, and Climate Local and there are no areas of concern.

**9. Appendix**

- 9.1 Appendix A – Corporate Risk Register (excluding IT risks)
- 9.2 Appendix B – IT Corporate Risks (exempt appendix)

**10. Background paper(s)**

Risk Management Strategy 2023 – 2026.
