| What are you making a representation about? |
| Please indicate which part of the licence/certificate application you are making a representation about (E.g. terminal hours, music and dancing, operating schedule) |
| opening hours, and all of the concerns listed below |

Your representation must relate to one of the four Licensing Objectives

| Licensing Objective | Please provide full details of your concerns regarding the application and include any evidence you may have in support of it. Please use separate sheets if necessary |
|--------------------------------------|--|
| To prevent crime and disorder | another local business has had trouble. 2 men in palaciaras & 2 more in car one evening!! obviously not from the village but think this might add to crime |
| Public safety | The parking element - when all residents are home in evenings no parking on street so they park either on double yellow line or between parked cars either side of road (middle) |
| To prevent public nuisance | There's not enough parking & Max spaces. There's like to no street parking at night therefore people parking on corner (double yellow lines) residents being disturbed all hours, car doors, shouting & etc. (weren't!!) |
| To protect children from harm | There's already been a case of youths/children drunk on playing fields causing nuisance. Not to mention children being left whilst parent/carer just 'nips' to the shop |

| | |
|---|--|
| Please suggest any conditions that could be added to the licence to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. | adjust the hours! 9.30 - 10pm would be plenty long enough opening times! Croft really doesn't need a 24 - 7 shop!! or all the inconvenience that could come with it! My son & family live in this street & are already fed-up of disturbed sleep, people are NOT mindful of neighbours!! |
