Which Licensing Objectives does your representation relate to?: To prevent crime and disorder, Public safety, To prevent public nuisance, To protect children from harm

To prevent crime and disorder: There will be groups of underage and older youths hanging around causing the mainly elderly residents of this area to feel unsafe and frightened to go around the shops

Public safety: More cars around this area which already gets very busy during the day and having groups of youths will make older people scared to walk around this quiet residential area

To prevent public nuisance: Under age drinking and older youths being loud noise from cars ie music groups hanging around litter vapes and general nuisances to this quiet residential area with a large elderly population who live alone etc

To protect children from harm: Under age drinking vaping and generally older youths encouraging younger people to misbehave

Do you have any evidence in support of your representation?: No

Are there any conditions that could be added to the licence to remedy your representation?: Open at 9am and close at 7pm

Do you have any other suggestions you would like the Licensing Sub-Committee to take into account?: This is a very nice quiet residential area with a large elderly population many living alone or with caring needs they do not deserve to be annoyed and frightened by excess groups of young people who have been drinking dropping litter and generally being a nuisance .There are already plenty of shops on main Hinckley road selling alcohol and there is no need for any more in this neighbourhood
